Each year, the ASO performs more than 20 classical, pops, educational, and family concerts. In 2014 and again in 2017, the orchestra received the national American Prize for "orchestral excellence." With passion and finesse, the Allentown Symphony, led by Music Director & Conductor Diane Wittry, plays time-honored masterworks, newly commissioned world premieres, and intriguing repertoire, including works by prominent new composers.

Certificate must be redeemed at least 1 week prior to the date of the desired performance by calling the Box Office at (610) 432-6715. Best available seating (at discretion of the box office) will be issued at the time of redemption. Tickets subject to availability. Not valid for any other concerts or events. Dates and times of performances can be found on [MillerSymphonyHall.org](http://MillerSymphonyHall.org)
