

The Neighborhood Center's 2023 Adopt-a-Family Program

Every child should experience the joy of receiving a gift during the holidays. For many in our community with stressed budgets and financial challenges, however, holiday gifts are a luxury they cannot afford. Your support of The Neighborhood Center's 2023 Adopt-a-Family Program will brighten the holidays for struggling families.

How do I help a family in need?

If you would like to adopt a family this holiday season, please call (610.253.4253) or email Susan Rambo at srambo@eastonanc.org. If you contact her by email, please provide your name and contact information and the number of children you wish to assist. You will be matched with an appropriate family and will receive the children's wish list. After you have done your holiday shopping, arrange a time to drop off your gifts at The Neighborhood Center (902 Philadelphia Road, Easton) and we will distribute them to the family. **Please drop off the presents at The Neighborhood Center between December 11 and 14, 2023.** All families in the Adopt-a-Family Program currently receive services from The Neighborhood Center.

If you cannot adopt a family by yourself, please consider teaming up with another family or organizing your church, workplace or community group to adopt a family together. This is a great way to connect and celebrate the true meaning of the holidays.

No time to shop or prefer to participate remotely

You still can support the Adopt-a-Family Program by purchasing from Adopt A Family [Amazon Wishlist](#) or making a [monetary donation](#). Monetary contributions will be used to purchase items for families or to supplement the gifts provided for adopted families. **Again, we request that we receive your gifts or contribution no later than Thursday, December 14.**

The Easton Area Neighborhood Centers, Inc. is a charitable organization under Section 501(c)(3) of the Internal Revenue Code. All donations are tax deductible to the extent permitted by law.
